The concept design of the hood K639BFDG90 is how to combine the beauty of dark metallic grey and performance to enhance quality of life for modern home kitchen with low maintenance.

HONEY COMB BAFFLE FILTER

Mindfully design of MEX with Triple-Layered Baffle filters equips with middle layer Honey Comb stainless steel filter which creates ramble channels obstruction to increase capability of cooking grease and oil extraction.

WHY MEX BAFFLE FILTER CHIMNEY HOOD?

High Filtration Efficiency

High Filtration Efficiency to capture oil and airborne grease before entering to the system while effectively exhausting the rest smoke, fume or odor.

Save your time

MEX Honey Comb Baffle Filter save your time Convenient clean interior and will reduce your need for regular hood cleaning because of less built-up grease in exhaust system.

Long-term performance

MEX Honey Comb Baffle Filter keep long-term performance and durability higher than other filter. Enhance extractor power by new design Sirocco Blower combine with a motor 410 watt providing extraction rate capacity 1,300 m3/h

CHIMNEY HOOD K639BFDG90

FEATURES

The Drak Metallic Grey hood K639BFDG90 is assembled with each element that is designed meticulously and developed functionally superior operation and maintenance.

- 90 cm. T-Shaped wall mounting hood
- Dark metallic grey body and chimney
- Black touch control panel, made of high quality glass with white LED display.
- Triple-Layers Baffle Filters with middle layer Honey Comb stainless steel filter maximizing surface contact area for high efficiency of trapping oil vapors.
- Removable Dark metallic grey oil tray designed to handle large volume of filtered-out exhaust and oil mist and it is easy dismantle for cleaning.
- Aluminium alloy housing Motor power : 410 watt.
- Maximum air extraction rate : 1,300 m3/h
- Net air extraction rate performance : 1,050 m3/h
- 4 speeds
- Power off delay timer (3 and 7 minutes)
- 2 x 1 watt LED lighting

SPECIFICATION

PRODUCT MEASUREMENT

Overall Dimension	W895 x D490 x H605–1035 mm.
Net Weight	21.0 Kg.

PACKAGING MEASUREMENT

Overall Dimension	W965 x D545 x H565 mm.
Gross Weight	25.0 Kg.

INSTALLATION REQUIREMENT

Installation Type	Wall mounted
Suitable for	Ducted operation only
Minimum clearance to gas/ electric cook top	750 mm.
Ducting connection	Ø150 mm.

ELECTRICAL

Power Supply	220–240V / 50 Hz.
