INCLUDED ACCESSORIES

Big Basket – A New Dimension for 3.5-Inch Sink Strainers

- **Extra-Deep Strainer Basket Capacity:** With a diameter of 73 mm and a depth of 40 mm, the basket holds up to 160 ml – deeper than standard 3.5-inch sink strainers. It can collect more food waste, reducing the need for frequent emptying.
- **High-Quality Stainless Steel Construction:** Made from AISI 304 (Food Grade) stainless steel, the basket features rectangular drainage holes around its sides. This design enhances filtration efficiency and helps prevent small food particles from clogging the drain.
- **Say Goodbye to Bad Odors and Costly Repairs:** Efficient straining means fewer blockages, fewer odors, and less worry about plumbing issues.

P31PP Drain Pipe with Built-in Odor Trap – Exclusively Designed by MEX

The P31PP drain pipe comes with a specially designed odor trap, exclusive to MEX. It features an accessible cleaning port that allows you to easily remove dirt and debris from the drainage system – no need to dismantle any piping.

Drain Pipe with Built-in Odor Trap

- Designed for easy installation with household drain systems
- Compatible with both wall-mounted and floor-mounted drain outlets
